The California State Only Labor Law Poster mandates you fill-in key details.

Sections to complete on the poster are:

Workers' Compensation - Ensure that all workers have access to workers' compensation information such as your insurance carrier and ID number, should they need to contact your company representative in response to a workplace accident, injury, or illness.

Paid Disability Leave - Employees who are pregnant, have a related medical condition, or are recovering from childbirth must have access to information regarding their eligibility for leave. You can provide this information within the poster.

Emergency Information - Use this form to provide all employees pertinent emergency contact information, such as: ambulance, hospital, fire-rescue info, physician, police, and CAL/OSHA contact.

Access to Medical and Exposure Records By CAL/OSHA Regulation - Provide the mandatory information employees need, should they need to contact the company representative who manages internal medical and exposure records.

PayDay Notice - The state of California mandates that employers notify their employees of payday schedules. Utilize your State Only poster to notify your employees of this mandatory information by including the day and frequency of payment within your poster.
