

The Connecticut State Only Labor Law Poster mandates you fill-in key details.

Sections to complete on the poster are:

Workers' Compensation - Provide your employees with the mandatory information they need should they need to file a claim regarding a workplace injury or illness. Provide the name of your insurer, contact details, the state Workers' Compensation office for your workplace, and the date of post.

Electronic Monitoring - Inform your employees of how you monitor them internally, such as via telephone, camera, computer, radio, wire, or other electronic monitoring methods.
