

The Georgia State Only Labor Law Poster mandates you fill-in key details.

Sections to complete on the poster are:

Workers' Compensation - Ensure all employees have the information they need to file a claim should an accident or injury occur at work. On this poster fill in the name of your insurer and key contact details.

Workers' Compensation Managed Care - Provide employees with the name of WC/MCO, address, area served, contact information, 24-hour toll free number, contact name, and the name of the insurer.

Worker's Compensation Conform Panel - Provide employees with the name, address, and phone of who to contact in the event of an accident or injury on the job.
