

The Massachusetts State Only Labor Law Poster mandates you fill-in key details.

Sections to complete on the poster are:

Workers' Compensation - Provide employees with the mandatory information they need to file a claim should an accident or injury occur at the workplace. On this poster enter the name of your insurance carrier, address, policy number, agent name, effective dates, and hospital information.

Unemployment insurance - Workers need to be informed of their rights to unemployment insurance or benefits should they become unemployed. Write your employer name, address, and your DUAID #.
