

The Missouri State Only Labor Law Poster mandates you fill-in key details.

Sections to complete on the poster are:

Workers' Compensation - All employees need to know their rights under Workers' Compensation Law, and who to contact in the event of an accident or injury. On this poster, enter the name, address, and phone number of who to contact in regards to a claim. Also included are fields for your company representative, and phone number.

Youth Employment List - Make sure all workers know when minors are at work. When filling in this from, enter the names and shifts of any non-adult workers.
