

The Nevada State Only Labor Law Poster mandates you fill-in key details.

Sections to complete on the poster are:

Emergency Numbers - Employees need quick access to important contacts should an emergency situation arise at work. In this section of your poster, add in contact details for a doctor, hospital, ambulance, fire, and the police.

Workers Compensation - Provide workers with information regarding Workers' Compensation, should an accident or injury occur at work. On your poster, you can add information about your insurer, your MCO/healthcare provider, and all contact information and telephone numbers.

Nevada PayDay Notice - Nevada Law requires employers to inform their employees of payday schedules, and where payments can be collected. Use this poster to fill in your company name along with your payday schedule, and where employees can pick up checks. For questions regarding paycheck handling, fill in the company contact name and phone number.
