

The New York State Only Labor Law Poster mandates you fill-in key details.

Sections to complete on the poster are:

Schedule Hours of Minors - Ensure all workers know the working schedule of minor employees. Use this poster to indicate the working hours of all employees in the workplace less than 18 years of age.

Blood Donation Leave - Employers are required to provide employees time off in the event they plan to donate blood. Post this information when you will have blood donor clinics at your workplace, and the contact information of a company representative who can answer questions.

Fringe Benefits and Hours - Employers must post, in a conspicuous location, on all internal benefits such as sick leave, personal leave, vacation, holidays, and hours. Easily provide this information to your employees by entering the name of your company representative who will answer questions regarding fringe benefits and hours.

Right To Know - Employees have the right to know if hazardous chemicals reside in the workplace. On this poster, fill in the name and location of chemical hazards in the workplace, and who to contact in the event of questions, or an emergency.
