

The Texas State Only Labor Law Poster mandates you fill-in key details.

Sections to complete on the poster are:

Workers' Compensation - In the event an injury occurs in the workplace, employees need to have contact information readily available. Use this section of your poster to provide the name of your insurer, the effective date of your policy, and who to contact at your insurance company.

PayDay Notice / Unemployment Compensation - Employers are required to provide employees the frequency of payment (whether it be monthly, semi-monthly, weekly, or another frequency) as well as information regarding employment compensation.
